### **LOGICACMG AND ING SIGN FINAL OUTSOURCING AGREEMENT**

#### **Outsourcing of application development, application management and test services to LogicaCMG**

**Amstelveen, The Netherlands  
6 November 2006**

LogicaCMG and ING today signed a final agreement for outsourcing the application development, application maintenance and testing of IT systems mainly related to ING's banking operations in the Netherlands. The intention for this outsourcing agreement was announced on April 26<sup>th</sup> of this year. The agreement is expected to have a value of over 200 million euros over a period of six years.

The works councils of both organisations have given their positive advice for the outsourcing agreement. More than 300 ING employees based in the Netherlands will transfer to LogicaCMG on January 1<sup>st</sup> 2007.

### **NOTES TO EDITORS**

#### **About LogicaCMG**

LogicaCMG is a major international force in IT services. It employs around 40,000 people across 41 countries. LogicaCMG's focus is on enabling its customers to build and maintain leadership positions using LogicaCMG's deep industry knowledge and its track record for successful delivery. The company provides business consulting, systems integration and IT and business process outsourcing across diverse markets including telecoms, financial services, energy and utilities, industry, distribution and transport and the public sector. Headquartered in Europe, LogicaCMG is listed on both the London Stock Exchange and Euronext (Amsterdam) (LSE: LOG; Euronext:LOG), and traded on the Xternal List of the Nordic Exchange in Stockholm. More information is available at [www.logicacmg.com](http://www.logicacmg.com).
